Course Description

Writing and Grammar for 6th grade is a strong academic course that provides students with a basis for a clear understanding of basic English grammar and for increasing proficiency in the use of English. This text includes types of sentences, parts of speech, how to write a personal narrative, writing historical fiction and writing a research paper.

As Full as the World literature for 6th grade engages students with a variety of character building stories as well as classical literature selection from which biblical principles are drawn. There is an emphasis on literary terms, higher level thinking skills, and vocabulary enrichment.

Discipline Interventions

If a student finds it difficult to follow the classroom rules, the following interventions will be used (not necessarily in this order):

Conference with student

Student Reflection Sheet

Parent contact (phone or email)

Office referral

After-school detention

Anticipated Absences

When an absence is anticipated, the parents are requested to inform the school office in writing at the earliest possible time prior to the absence. While it may not be possible to procure all assignments in advance, it will be to the student's advantage to keep up with material by reading in textbooks as the instructors have indicated. If a test or project that was assigned while the student was in school becomes due during the period of the anticipated absence, the student is encouraged to take the test or turn in the project before leaving school. If this is not possible, the test or project will be due on the earliest makeup session after the student has returned to class.

Tardies

Students are not allowed to enter the room after the bell has rung without a tardy pass. A student who is tardy will need to directly to the office. Students who are tardy are responsible to complete missed work. Repeated tardiness will result in more severe consequences. Refer to Student Handbook..

Academic Integrity

A student found to have engaged in academic dishonesty shall be subject to grade penalties on assignments or tests and disciplinary penalties in accordance with the Student Code of Conduct. Cheating, plagiarism, and unauthorized communication between students during exams/quizzes is prohibited. Incidents judged to be dishonest by me or another professional will result in disciplinary action, parent contact, and a grade of zero.

Makeup Work

If you miss class, it is **YOUR** responsibility to get necessary make-up work. Complete all work, test and quizzes that you missed, **within 1 day** of your absence. Check the MAKEUP FOLDERS located near the back of the classroom door for any needed handouts.

If you missed a test, make an appointment with me for a make-up test the first day back from your absence. If you were absent more than 1 day, refer to the Student handbook for turning in the missed work and test reschedule. Any work not turned in within the acceptable time period will be recorded as a 'zero'.
