

Trinity Christian Academy

9th grade Life Management

Ms. Ives

2018/2019

Course Syllabus

Course Description

The objective of Life Management is to learn what it means to be a healthy and active person.

We will be covering a wide range of health related subjects. Each chapter will consist of classwork/homework, journal, and a chapter test.

Major Topics

The main topics that will be covered in Life Management include nutrition, the human body, fitness and exercise, diseases, first aid, and spiritual health.

Major Projects

Systems of the body presentation – students will research and present an assigned body system.

Materials Needed

Textbook and spiral notebook for journal

Behavior Expectations

- Enter and exit classroom in an orderly manner.
- Remain in your seat at all times unless given permission.
- Respect everyone in the classroom.
- Actively listen and participate in all classroom activities.
- Be prepared with all necessary materials every day.

Grading

Tests and major projects – 50%

Quizzes (journal grade) – 35%

Daily/Homework – 15%

Communication
